TB work session 4/15/2022 at 1:30 p.m.

Chair John Rosenbaum called to order the meeting at 1:40 pm at the Town Hall. Those present were John Rosenbaum, Wayne Hefty, and Amy Jester, chair of the Plan Commission.

There was considerable discussion about the current sign ordinance, as well as the proposal from the volunteer sign ordinance committee, and the Dane county sign ordinance. There was agreement that the current ordinance needed updating to reflect the current zoning districts in the Town, and to clarify some portions of the current ordinance which can be somewhat confusing. Several suggested changes were agreed to and roughly drafted. Amy agreed to "clean up" the rough draft and ask the plan commission to weigh in on the changes at the April PC meeting.

No official action was taken. Hefty moved that the meeting be adjourned at 4:30. Rosenbaum seconded the motion. The motion passed unanimously.

Minutes taken and submitted by John Rosenbaum, Chair.
